MARINER BOATING HOLIDAYS RAFFLE 2009

All team captains will soon be sent a booklet of Mariner Boating Holidays Raffle Tickets. Please try and sell these tickets, as all funds raised through this raffle will go directly to the Variety. The prize is an amazing trip for two in the Croatia Yacht Rally, valued at an incredible \$15,000. Please contact Jav Greaves if you have any questions about this raffle.

WATTERS ELECTRICAL

Variety Splash are excited that Watters Electrical have once again jumped on board as a major event partner. Watters have been a huge supporter of the event, in raising approximately \$35,000 for each of the previous events, and we are extremely grateful that they are once again lending their support to help the children.

TERI DODDS

We are very excited to have Teri Dodds on board as the official on-water photographer. Teri has a wonderful portfolio, which includes being the official photographer for Audi Victoria Week (formerly Skandia Geelong Week).

AUDI VICTORIA WEEK @ DOCKLANDS – GET DOWN THERE!

If you're into it - harden up, get the crew to the high side and set sail for Audi Victoria Week. At the first mark IRC bragging rights will be sorted, the fastest foil will bag the cash and a king will be crowned. Then it's time to ease sheets, hoist a bag and 'send it' to Geelong, where everyone who is anyone will be. Docklands 21-22 January, 2010! With Variety being the event's charity of choice, there is even more reason for Splashers to get on down there and support the event!

Support our sport by relaying this message along the rail to the rest of the crew. Grind it on!!!

2009 VARIETY CHRISTMAS PARTY FOR SPECIAL CHILDREN

Variety, the children's charity held their world-renowned Christmas Party for Special Needs Children at the Melbourne Convention & Exhibition Centre on Wednesday 2nd December, 2009. Over 5,000 children and their carers came along for a fun-filled day.

Children came from all parts of Victoria – from Shepparton and Warrnambool, travelling by car, bus and train. Variety is always grateful to the generosity of the many sponsors who make this annual party the success it is and to the entertainers and volunteers without whom it would not have been possible to stage such a spectacular event.

BIKE PRESENTATIONS

During November and December Variety the children's charity presented around 1100 new bikes and helmets to children across the state. Presentations were held at Craigieburn, Casey Fields, Eildon, Geelong, Whitten Oval in Footscray with the largest taking place at Waterfront City Docklands on December 16th 2009. The presentation of the bikes was made possible by the generous support of 3AW listeners at the Annual Radiothon in July when over \$260,000 was donated in one day on air.
